Installing the ashtray

 Mark the position of the holes on the ground. Drill the holes in using an impact drill.

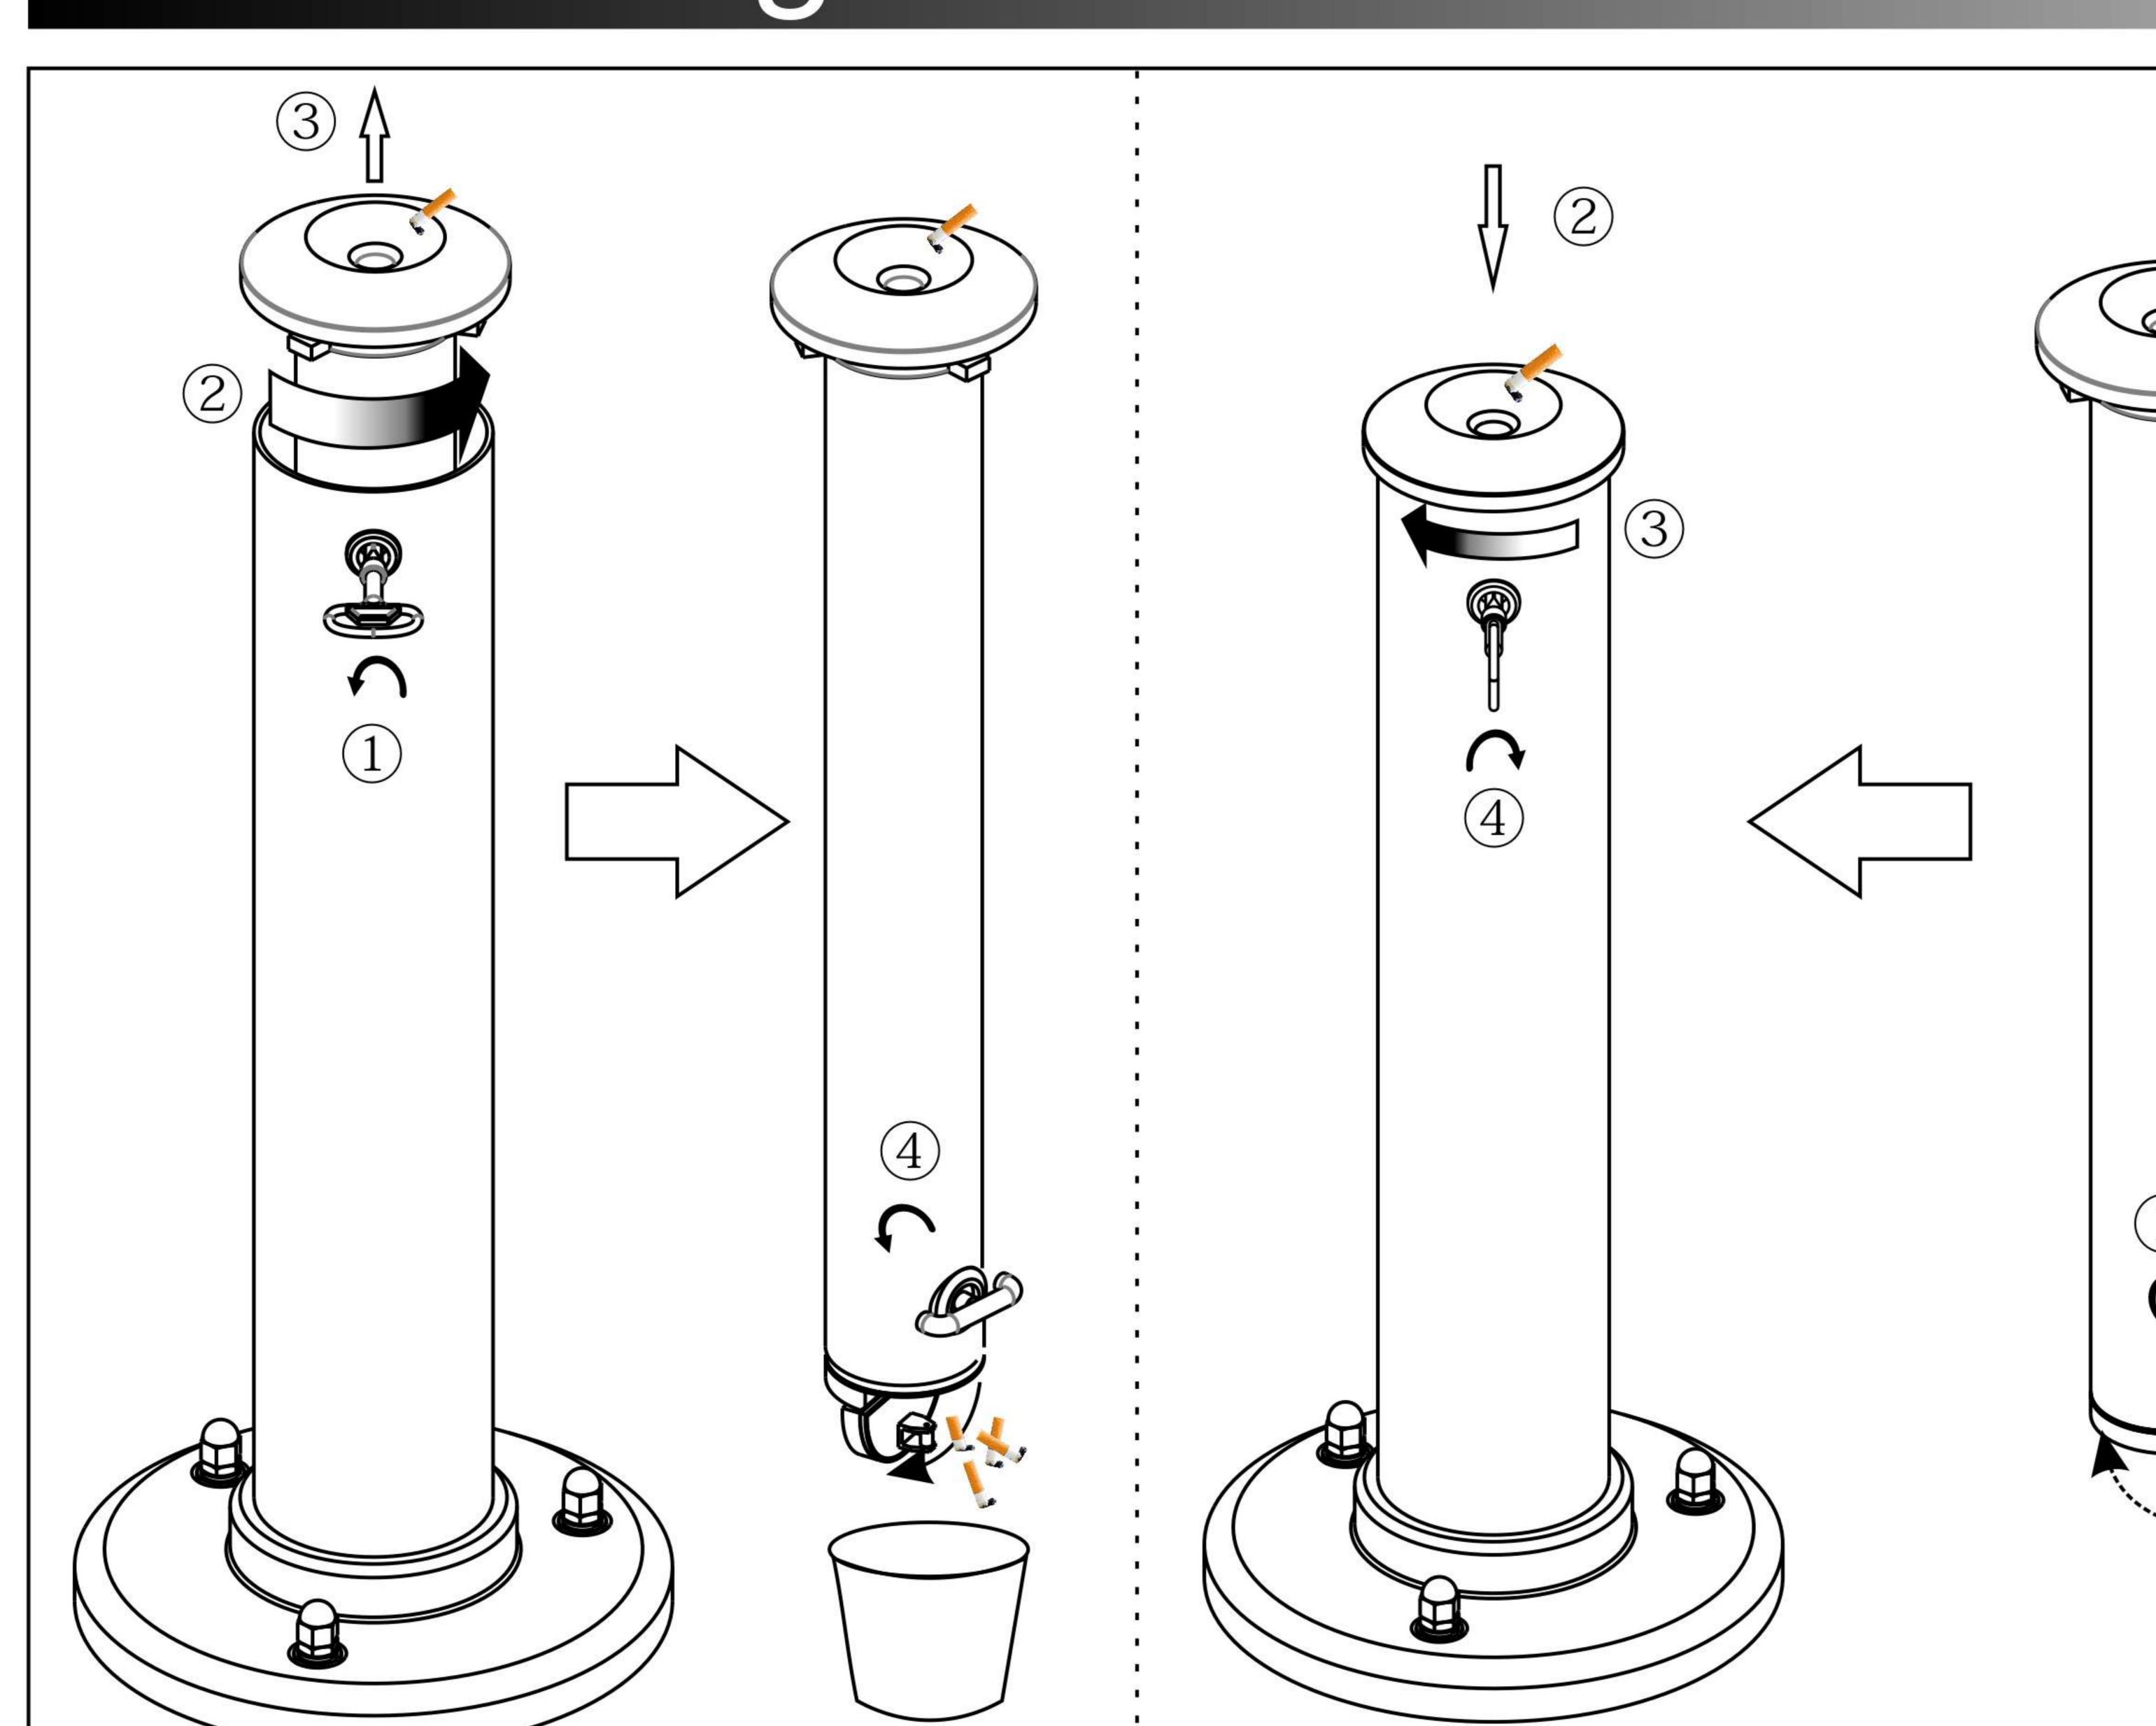

Cleaning & Maintenance advice

- (1). Unlock the ashtray using key provided.
- (2)(3). Twist and lift the cannister out.
- (4). Flip open the bottom lid to empty the ashtray.

It is recommended to empty the ashtray frequently. Use the cleaning brush provided to keep the bottom lid clean.

Clean the ashtray with damp cloth soaked in mild soap and wipe dry.

Reverse the steps to prepare ashtray for use.
